

BECOME AN UMPIRE AND BE PAID VERY WELL DOING IT

As the new season approaches, there is an opportunity for anyone to become an umpire. Whether you are a current player, a coach, a parent, or a brother/sister of a player, you can become involved in our great game.

Umpiring is a way to be part of baseball. Not only will you learn and understand the rules (properly), you will get fit, make new friends, develop confidence and leadership skills as you manage games each week, have lots of fun and get paid to do it from the best seat in the house. The pay is awesome where it averages over \$20 an hour.

Full training sessions are provided before the season starts and training sessions continue throughout the season, but pre-season sessions are the most important. Come try it out!
